

DC RESIDENTS

are stepping up, making smart energy choices that cut costs & emissions.

Check out ways that the DCSEU can help you start.

- **ENERGY-EFFICIENT LIGHTING:**

Save money and energy by replacing your five most used lights with energy efficient LEDs. Visit DCSEU.com/Lighting to view our lighting guide.

- **EQUIPMENT REBATES:**

Does your water heater, heating, or cooling system need to be replaced? The DCSEU offers rebates of up to \$700 for the installation of qualifying energy-saving electric equipment. Visit DCSEU.com to view our current rebates.

- **BUSINESS ENERGY REBATES:**

The DCSEU provides DC businesses and institutions with rebates for installing energy-efficient equipment. Visit DCSEU.com/Biz to view current offers.

- **TIPS & TOOLS:**

Have a question about energy efficiency? Not sure what to do next? The DCSEU's team of experts can help determine the best approach for you. Contact us to find out how you can start saving energy and money now.

TERMS AND CONDITIONS

District of Columbia Sustainable Energy Utility (DCSEU) rebates are for DC residents and businesses only. Void where prohibited. Rebates may not be reproduced, photocopied, or altered in any way. In using DCSEU rebates, the customer agrees that the DCSEU holds sole rights to any electric system capacity credits and/or environmental credits associated with the products purchased.

REBATE AMOUNTS: Rebate offers are subject to change. Total rebate value cannot exceed purchase price and cannot be doubled or tripled. The DCSEU reserves the right to withdraw rebate offers without notice.

INSTALLATION VERIFICATION: Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority. The DCSEU reserves the right to review the installations in order to ensure compliance with all program requirements. The DCSEU may request a photo of the installed equipment and/or choose to review locations to verify completion of the projects and to measure and verify energy savings. The DCSEU installation verification is not a safety review and the DCSEU reviews do not certify installation meets code. Such reviews will be made at a time convenient to the customer, with advanced notice given to the customer. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.

LIABILITY RELEASE: As part of the consideration for participating in the program, the participating customer hereby releases and shall indemnify, hold harmless and defend the DCSEU and the Rebate Administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of high-efficiency equipment at the premises or any material and labor required for such installation.

WARRANTIES: The DCSEU does not endorse, guarantee, or warrant any particular contractor, manufacturer, product, system, or installation. The DCSEU does not warrant the performance of these products or provide any warranties, either expressed or implied.

TAX LIABILITY: Sales tax must be paid by customer on full pre-rebate price. The DCSEU is not responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

CONTACT: The DCSEU may contact customers for feedback on program satisfaction.

\$75 OFF

Electric Push Lawn Mowers

\$500 OFF

Electric Riding Lawn Mowers

Lawn Mowers should meet DCSEU's energy efficiency criteria and be electric only to qualify

Call 202-479-2222 or visit DCSEU.com for the most current energy efficient criteria.

Materials Required for Submission:

- Completed rebate form
- Dated sales receipt, listing the model

Electric Lawn Mower Models:

- Have reduced maintenance costs and eliminate fuel costs to save you more money over the lifetime of the equipment.
- Emit far less carbon monoxide into the air than its gas counterparts.
- Are safer and easy to use. No more fuel mixing, no more fuel storage, and they reduce the need for noise suppression for operators.
